Student Behavior Referral Process

Student Behavior Report

If a student makes a poor choice he/she will receive a warning. If the behavior continues, a student behavior report/PBIS referral will be created and logged. Parents will also be informed. An example of the behavior report is on page 9 of this handbook. These expectations are clearly communicated to all students at the beginning of each school year. Consequences might include campus beautification, or loss of other on-site privileges. Behaviors that may result in a warning/think sheet/behavior report include the following:

Rough Play: play fighting, wrestling, etc. are prohibited.

Restroom Abuse: using the restroom for unattended purposes such as: throwing paper on the floor, standing on the toilets, locking the doors when not in them, writing or drawing on the walls, etc. Putting anything in the sink or toilet to cause it to flood.

PLEASE NOTE: DAMAGE DONE TO ANY PART OF A SCHOOL FACILITY THAT INVOLVES A COST FOR REPAIR MEANS THE PARENT OF THE STUDENT COULD BE HELD LIABLE FOR THOSE CHARGES

Improper use of equipment: using the equipment (both indoors and outdoors) for unintended purposes, for example: running up the slide, standing on playground equipment, swinging jump ropes, throwing balls or other equipment at others, etc.

Defacing school property: any destruction of school property such as: writing on walls, breaking windows, tearing posters down, breaking soap or paper towel dispensers, etc.

Verbal abuse: profanity, racial comments, slurs and insults, as well as derogatory or disrespectful verbal attacks directed toward any member of the Garden Valley Learning Community, is prohibited.

Riding bikes, scooters, or using skates on campus: bikes, scooters, skateboards, and skates are not to be used on campus. If brought to school, they should be walked off campus before being used.

Continued disruption of the learning process: students are expected to come to school to learn and are expected to follow the directions given by the adults on campus who are responsible for them (teachers, paraprofessionals, office staff, principal, yard duty, cafeteria personnel, custodians, etc.)

Out of class without permission or in the wrong place: students are permitted to leave class only if they have a note or hall pass from the supervising adult stating it is okay. Students should not be in any areas that are considered off limits (hallways during recess, off campus, hiding in bathrooms, outer field, behind buildings, etc.)

Bringing inappropriate materials on campus: these items can include: electronic devices, trading cards of any type, cologne, make-up, toys, nail polish, etc. Cell phones are allowed on campus, however, are NOT to be turned on during the school day. The cell phone policy is explained in more detail on page 10 of this handbook.

Social Emotional Learning

Social and emotional learning (SEL) is an important part of education and human development. SEL is the process through which all young people and adults acquire and apply the knowledge, skills, and attitudes to develop healthy identities, manage emotions, achieve personal and collective goals, feel and show empathy for others, establish and maintain supportive relationships, and make responsible and caring decisions.

Social emotional learning on the Garden Valley campus includes classroom lessons on developing a growth mindset and setting personal goals, activities such as mindful moments and breathing exercises to support mental well-being and a focus on leadership and team building activities, such as community circles, to nurture a sense of community.

Character Education

At Garden Valley, we have implemented a plan which combines character education with our positive school climate, school spirit, and our student rewards. It is intended that this plan will continue to bring our school together creating a supportive, positive learning community that shares common goals.

We focus on one specific trait each month and each classroom recognizes two students each month who demonstrate that character trait. Those students are then recognized in the monthly Character Counts Newsletter.

September	Respect	January	Citizenship
October	Responsibility	February	Caring
November	Honesty	March	Courage
December	Cooperation	April	Perseverance
		May	Excellence

Chromebooks

Chromebooks are checked out to each student, along with their grade level textbooks. Chromebooks should be charged nightly and not used near food or drink. **If a device is broken or damaged, families will be charged for the replacement of the device.** Please verify that your student is handling their Chromebook with care and charging it, so it is ready for school each day. The history and website usage is tracked by the Twin Rivers Unified School District. We advise verifying what sites your child is visiting or what items they may be searching on the district owned device.

Classroom Treats, Birthday Celebrations, Snacks

Please make arrangements in advance, if you wish to send in treats for your child's birthday. Cookies or a non-edible treat, that can be distributed prior to dismissal, is best. Cakes and cupcakes are extremely messy and often end up on the ground or the carpet, so cakes and cupcakes **are prohibited**. Spicy or hot chips (Taki's, Hot Cheetoes, etc.) often cause stomach aches and **are prohibited**. We encouraged healthy snacks from home.

DRESS CODE at GARDEN VALLEY

GARDEN VALLEY DRESS CODE - UNIFORMS ARE REQUIRED.

*In order to promote a positive learning environment, comply with the provisions of the safe and violence-free school initiative, counteract the influence of the gang presences in the community, and equalize the effect of different family income levels, Garden Valley has adopted a **SCHOOL WIDE UNIFORM POLICY.***

Students in grades PK-6 are expected to come dressed in our uniform EVERY DAY.

STUDENTS WHO DO NOT COME TO SCHOOL IN THEIR UNIFORM WILL BE ASKED TO CALL HOME AND HAVE THE CORRECT CLOTHING BROUGHT TO SCHOOL. IF NO ONE IS AVAILABLE TO BRING CLOTHING TO SCHOOL, A SMALL SUPPLY IS AT THE SCHOOL SITE AND A STUDENT WILL BE ASKED TO CHANGE. STUDENTS WILL HAVE A LOSS OF PRIVILEGES IF THEY CONTINUE TO BE OUT OF UNIFORM.

Garden Valley Elementary Cell Phone Policy

The Garden Valley staff realize that we are living in the 21st century and that many technologies, including cell phones, are readily available to our students. In order to make the best use of these technologies, while maintaining a rigorous educational environment, the following guidelines are to be used with all cell phones:

- Phones are to be turned off during the entire instructional day, NOT in vibration or silent mode but turned entirely off.
- The phone should be turned off immediately upon entering campus in the morning.
- Family / friends texting or calling during instructional time negatively impacts student learning and takes away from instructional activities.
- Students may always be reached via the office phone should parents or family wish to leave a message.
- Should there ever be an emergency, the office will immediately communicate with families via our phone outreach program.
- Students may use cell phones beginning at dismissal time once they are off of our campus.
- Students may also use cell phones **with staff permission**.
- Cell phones must be put away during the instructional day and are not to be used at any time. Turned off when entering campus and should remain off. If a student needs to contact a parent, a student may ask for permission to use a school phone.
- Cell phones will be taken away and given back to students at the end of the day as a result of the first infraction of these guidelines.
- If your child's cell phone is taken away for a second time, the classroom teacher shall place the cell phone in a secure area. Arrangements will need to be made with the classroom teacher in order to retrieve the cell phone.
- If infractions continue, staff members will conference with the student and family and make other arrangements for the cell phone.
- The school, staff, and district are NOT responsible for any lost, damaged, or stolen cell phones. The responsibility totally rests with the student should they bring a cell phone to school.

In addition, NO other electronic devices such as PSP's, Nintendo DS's, IPODS, IPADS, tablets, etc. are to be brought to school without specific staff permission. Once again, the school and staff will NOT be responsible for lost, damage, or theft of any such items.

We appreciate your support in this matter.

Student Suspensions

Major Violations: According to the California Education Code No. 48900, there are twelve specific acts of misconduct, which may lead to suspension (1-5) days or expulsion. These disciplinary actions may be taken if the pupil has committed the following violations:

1. Caused or attempted to cause physical injury to another person. Mutual combat is an automatic suspension.
2. Possessed, sold or otherwise furnished any firearm, knife, explosive or other dangerous object unless, in case of possession of any such object, the pupil obtained written permission to possess the item from a certificated school employee, which is concurred in by the principal or designee of the principal;
(Sacramento police will be notified-the student involved may be issued a citation, arrested or both)
3. Unlawfully possessed, used or sold or otherwise furnished, or been under the influence of any controlled substance, as defined by Section 11007 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind. Sacramento police will be notified-the student may be issued a citation, arrested or both.
4. Unlawfully offered, arranged or negotiated to sell any controlled substance, an alcoholic beverage or intoxicant: (Sacramento police will be notified-the student involved may be issued a citation, arrested or both)
5. Committed robbery or extortion: (Sacramento police will be notified-the student involved may be issued a citation, arrested or both)
6. Cause or attempted to cause damage to school or private property: (Sacramento police will be notified-the student involved may be issued a citation, arrested, or both)
7. Stolen or attempted to steal school or private property: (Sacramento police will be notified-the student involved may be issued a citation, arrested, or both)
8. Possessed or used tobacco
9. Committed an obscene act or engaged in habitual profanity or vulgarity or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia as defined in Section 11364 of the Health and Safety Code.
10. Knowingly received stolen property or private property.
11. Possessed an imitation firearm. As used in this section, "imitation firearm" means a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.

On the day that a student returns to school after a suspension it is REQUIRED that the parent and the child meet with the principal, or an administrative representative, before the student is readmitted to class. We want to make sure we help the student make a smooth transition back into the classroom.
